WELCOME

The Staff and the Doctors at Teehey Lane Medical Centre welcome all the new and existing patients. It has been a tremendous year for us and we are very thankful to the help and support received by our patients. We will continue to provide high quality care services to our patients.

Gynecology Services: We continue to provide Gynecology services to all patients Wirral - wide.

Extended Hours - Every Monday from 18:30-19:30, GP appointments are available for our patients.

Home Visits - Home visit requests should be made before 11am. Home visits are mainly for housebound patients. If you ring after this time doctors may already be out on their visits.

EXTENSION—NHS IMPROVEMENT GRANT

Teehey Lane is extending its surgery space to provide more consulting rooms and accessibility to our patients. The improvement grant was approved by NHS England in 2015-2016. The works are near to completion. The extra space will be utilised in providing services like Gynaecology, Minor Surgery, Counselling, physiotherapy and phlebotomy.

We apologise for any inconvenience caused by building works, however we have taken appropriate measures to continue our existing services.

PATIENTS GETTING SAME DAY / DAY OF CHOICE APPOINTMENT .

This year also, surgery proved its commitment by providing quality and timely care to our patients. *Almost 98% of our patients get same day or the day of their choice appointments*

Over 75?

If you are patient aged over 75, you will have a named GP and dedicated phone line . Your GP will ensure you receive access to all appropriate services and coordination of care with various health and social professionals. Please feel free to call our reception at 0151-6082519 for further information.

The NHS non-emergency number

NHS 111

111 is the NHS non-emergency number. It's fast, easy and free. Call 111 and speak to a highly trained adviser, supported by healthcare professionals. They will ask you a series of questions to assess your symptoms and immediately direct you to the best medical care for you. You should use the NHS 111 service if you urgently need medical help or advice but it's not a life-threatening situation.
