Winter
2014

Welcome

The Staff and the Doctors at Teehey Lane Medical Centre welcome all the new and existing patients. We appreciate the help and support received by our patients during improving our services. We will continue to provide high quality care services to our patients.

New Gynaecology Services: We are happy to inform you that we are providing Gynaecology Services as mentioned in our previous newsletter. The Electronic Prescription Service will also be available by this month allowing patients to receive their medicines or appliance from the place they choose.

40 Years of Service Excellence Award presented to DR. M. SALAHUDDIN

Dr. M Salahuddin has been associated with NHS over four decades and in his presence, the surgery, he owned went through various transformations to become an excellent medical centre today – recognised through various awards. He himself had been awarded twice as GP of the Year 2008 & 2011. In 2011, he acquired Teehey Lane Medical Centre and brought revolutionary changes by introducing new services and widening of surgery space, providing more convenience to the patients.

PATIENTS GETTING SAME DAY OR THE DAY OF CHOICE APPOINTMENT .

The surgery proved its commitment by providing quality and timely care to our patients. *Almost 100% of our patients get same day or the day of their choice.*

ELECTRONIC PRESCRIPTION SERVICE (EPS)

The EPS is an NHS Service. It gives you the chance, how your GP send your prescription to the place you choose to get your medicines or appliances from. You will not have to visit your GP Practice to pick your paper prescription, neither wait longer at pharmacy - GP will send it electronically to the place you choose.

Over 75?

If you are patient aged over 75, you will have a named GP and dedicated phone line . Your GP will ensure you receive access to all appropriate services and coordination of care with various health and social professionals. Please feel free to call our reception at 0151-6082519 for further information.

Get the jab, get flu safe

September will be the time for those at greatest risk from flu to protect themselves and their families, get flu safe with a free flu jab. Flu is highly contagious virus which anyone can catch. Those at greater risk from flu includes people aged 65 & over, pregnant women, and those with health conditions such as severe asthma, diabetes, chest and heart conditions.

FLU clinic starts from September. Contact your surgery to arrange an appointment. It's quick, safe and free for those most at risk from the virus.

Other News

NHS Health Check

Above 40? Don't forget to visit your surgery for routine health check. The Health Check may prevent the onset of stroke, heart diseases, diabetes and kidney disease.

The Health Check is a few straightforward health tests and simple questions about your medical history. To book an appointment with us call 0151 608 2519.

Late Evening Surgery

We have been running late evening surgery now for over 2 years.

Every Monday and Thursday evening, 18:30—20:00.

Risks from Sunshine

Summer means better weather, time outside to enjoy ourselves; don't forget some simple health care precautions. Sunshine, even in the UK means there is a need to wear protective clothing, sunhats, sunglasses and sunscreens. Don't forget to stay in sunlight and grasp some Vitamin D.
